

Personal Data

Laura Parma
Dr. rer. Nat.
Born on 29.01.1990 in Vercate (Italy)

Academic Address

Institut für Epidemiologie und Prophylaxe der Kreislaufkrankheiten
Klinikum der Universität München
Ludwig-Maximilians-Universität München
Pettenkoferstr. 9 80336 München
Email: Laura.Parma@med.uni-muenchen.de

Education

- 10/2020 **Ph.D.** in Experimental Vascular Medicine, Department of Vascular Surgery, Leiden University Medical Center, the Netherlands. Supervisor: Prof. Dr. Paul Quax
Ph.D. in Experimental and Clinical Pharmacological Sciences, Department of Pharmacological and Biomolecular Sciences, University of Milano, Italy. Supervisor: Prof. Dr. Alberto Corsini
- 09/2014 **M.Sc.** in Medical Biotechnology, University of Pavia, Italy
- 12/2012 **B.Sc.** in Biotechnology, University of Milano, Italy

Current position(s)

- 07/2020 – present **Full time Postdoctoral Researcher**, Institute for Cardiovascular Prevention (IPEK), Klinikum der LMU, Munich, Germany

Previous position(s)

- 02/2016 – 03/2020 **Full time PhD student** part of **Marie Skłodowska-Curie Actions, Horizon 2020 double doctoral project** MoGlyNet. Department of Vascular Surgery, Leiden University Medical Center, the Netherlands.
Mar 2016 – June 2016 Full time **industrial research secondment** at Kemotech SrL, Pula, Italy
Aim: To synthesize through chemical synthesis an anti-angiogenic compound able to bind and inhibit bFGF
April 2018 – September 2018 Full time **academic research secondment** at the Department of Pharmacological and Biomolecular Sciences, University of Milano.
Aim: To evaluate the metabolic stability of anti-angiogenic compounds using HPLC

Selected fellowships and awards

- 07/2021 **Friedrich Baur Stiftung 2021**, LMU Klinikum, Germany. 8.000 €
- 05/2019 **Best oral presentation Award**, European Society for Vascular Surgery Spring Meeting, London, UK, 300 €
- 11/2018 **Best oral presentation Award**, Rembrandt Institute of Cardiovascular Science symposium, Noordwijkerhout, the Netherlands 150 €
- 03/2015 - 07/2015 **Erasmus + fellowship**, awarded by University of Pavia, Italy. Conducted at the Department of Oncology, Leiden University Medical Center, the Netherlands

Supervision of graduate students

- 07/2020 – present Daily supervisor of **2 Master Students**, Institute for Cardiovascular Prevention (IPEK), Klinikum der LMU, Munich, Germany
- 06/2016 – present Daily supervisor of **5 Master Students**, Department of Vascular Surgery, Leiden University Medical Center, Leiden, the Netherlands

Institutional responsibilities

- 01/2022 – present **Lecturer for IRTG1123 Lecture Series**, Collaborative Research Center (CRC) 1123 Atherosclerosis, Institute for Cardiovascular Prevention (IPEK), Klinikum der LMU, Munich, Germany
- 12/2016 – 12/2019 **Lecturer and group project supervisor of M.Sc. students of Biomedical Sciences** during the course “Translational Research in Surgery”. Leiden University Medical Center, the Netherlands
Lecture topic: Intraplaque angiogenesis in atherosclerosis
- 02/2016 – 02/2019 Member of the **Dissemination Board** of the MoGlyNet Consortium Marie Skłodowska-Curie Action, Horizon 2020

Selected further activities

- 06/2018 **Ambassador of the Marie Skłodowska-Curie Action**, Horizon 2020 MoGlyNet Consortium at the event “Meet me Tonight”. University of Milano, Italy
- 03/2018 **Ambassador of the Marie Skłodowska-Curie Action**, Horizon 2020 MoGlyNet Consortium at the event “Do you know the pharmacological compound?”. University of Milano, Italy
